**DECLARATION OF MICHAEL A. GALPERN IN SUPPORT OF
PLAINTIFF'S MOTION FOR AN AWARD OF FEES AND EXPENSES**

I, Michael A. Galpern, being competent to testify, make the following declaration based on my personal knowledge and the records of my law firm. I declare:

1. I am a member of the Bar of this Court and of the law firm of Javerbaum Wurgaft Hicks Kahn Wikstrom & Sinins, P.C., (hereinafter “Javerbaum”). I am submitting this declaration in support of my firm's application for an award of reasonable attorneys’ fees in connection with services rendered to the plaintiff Class and for reimbursement of expenses incurred by my firm in the course of this litigation. This declaration sets out the time and expenses of Javerbaum in support the fee motion.

2. I was previously a co-managing partner the Locks Law Firm, LLC as counsel to Plaintiffs Steven Goodman, Barbara Kawa, Theresa Massey, Danielle Solecki, and all others similarly situated, (along with co-counsel Klafter Olsen & Lesser,) and commenced this lawsuit in this Court on July 29, 2011. I joined the Javerbaum firm as a Partner on September 10, 2018, and, with the co-counsel firms, my firm has litigated the litigation on behalf of the putative and now-settlement Class.

3. The work undertaken by firm has consisted of the following: acting as co-lead counsel in the litigation; preparing for and attending conferences with the Court; evaluating discovery and data produced be Defendants; analyzing deposition transcripts, hearing transcripts, and Court Orders in preparation of submissions to the Court; preparing and attending strategy conferences with co-counsel; researching recent case law and publications regarding the Fair Labor Standards Act in New Jersey; corresponding with co-counsel and defense counsel regarding mediation; preparing and revising Plaintiffs’ mediation statement; reviewing data and discovery provided by Defendants in preparation for mediation; reviewing and analyzing Defendant’s mediation statement; discussing strategy with co-counsel in advance of mediation;

attending and participating in mediation; and preparing, reviewing, and analyzing documents in support of settlement. .

4. The total number of hours spent on this litigation by my firm has been 288.7 attorney hours and 72.6 paralegal hours to date, as reflected in the time records kept and maintained by my firm. Time expended in preparing this application for fees and reimbursement of expenses has not been included in this figure. The total lodestar of attorney and paralegal time based on the firm's current rates is \$189,580.00. Those rates are the rates that are charged by the firm to clients who pay on an hourly, non-contingent, basis. The lodestar figures do not include charges for expense items, which are billed separately. Copies of the time records for all of these individuals as contemporaneously recorded on the Trialworks and Excel program are maintained by my firm. I certify that the above-referenced lodestar figures are fair and were reasonably required for the effective prosecution and resolution of this case.

5. With respect to the standing of this firm as counsel in this case, attached hereto as Exhibit __ is a copy of my firm's resume.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed this 18th day of November, 2020 at Vorhees, New Jersey.

s/ Michael A. Galpern
